

Tennant 2120

Extremely quiet general-purpose single disc machine for professional wet or dry cleaning of floors. The Tennant 2120 is a multi-purpose floor machine, very comfortable to use and suitable for a variety of cleaning tasks on diverse floor types. Effortlessly removes all kinds of dirt and completely restores damage to coatings such as burns, rubber marks and firmly ingrained stains. Using brushes or pads and the recommended accessories, the versatile Tennant 2120 is ideal for:

- **Cleaning almost any floor.**
- **Applying a deep gloss on coated hard floor surfaces.**
- **Removing polish.**
- **Intensive cleaning of industrial flooring.**

Features

- Low sound level (exceptionally quiet)
- Centre brush feed
- Ergonomically designed and comfortable to use handle
